## To Have Curly, Wavy Hair Like "Nature's Own"

In three hours you can have just the prettiest curls and waves. And they remain a long time, when liquid silmerine is used before rolling the hair in curlers. When the hair is combed out it will be nice and fluffy. Silmerine is of course perfectly harmless, and is easily applied with a clean toothbrush. It can be obtained at any drug store, directions accompanying each bottle. Silmerine serves as a splendid dressing, keeping the hair fine and glossy.—Adv.

## I'VE TRIED THEM ALL, BUT DRECO DID THE WORK

Penna. R. R. Baggageman for 20  
Years Is Glad to Give Credit to  
Dreco for Its Splendid Results.

Mrs. John Roulston, of 523 Fifth street northeast, recently volunteered the following statement:

"My husband has been for 20 years a baggageman on the Pennsylvania Railroad, running between Washington and New York. His work and the hours of his run makes it impossible for him to get his meals regularly, and the results were about as bad as a case of indigestion, gas, sourness, and sluggish liver as I ever heard of, in addition to constipation which nothing seemed able to correct.

"After the way I've seen him suffer, and the months that I've heard him complaining, I'm only too glad to say everything I can for Dreco, for it surely has made a well man out of a mighty sick one, and I like every body to know just what it really has done."

Dreco is sold in all the O'Donnell Drug Stores; Bury's Drug Store, Anacostia; Allen's Drug Store, Alexandria.—Adv.

## NIGHT SCHOOLS FULL; MORE ROOM REQUIRED

Record Enrollment Demands Enlargement of Accommodations.

Night school classes started instruction and the general work for the year last night with an attendance that outnumbers all previous registration and with facilities that make it imperative that accommodations for this educational service be increased.

In most of the schools there is a waiting list of pupils who cannot be accommodated, and the vocational classes have been enlisted to the point where no more can possibly be considered until class rooms and additional teachers have been provided.

McKinley Manual Training School 466 are enrolled and under instruction, and a waiting list almost as large is on file.

The class in salesmanship at the Thompson School has interested so many pupils that a division of the entrance has been made. Adult pupils and applicants from the high and elementary schools will be instructed in separate classes.

The new building will be of Colonial design and is planned to build up the group as occasion requires.

## YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

If Cross, Feverish or Bilious Give  
"California Syrup of Figs."

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given. If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs." and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach, and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs." then see that it is made by the "California Fig Syrup Company."—Adv.

Benton has been granted retirement by the pension board of the company, with an allowance of \$20 monthly, the minimum amount allowed under the pension system.

Warfield, of the same company, for many years on duty at the Seventh street "loop," Soldiers' Home Junction, at the terminus of the Eleventh street line in Anacostia, and for the past three years assigned to the steamboat wharves, has also been retired with the same monthly pension.
